LIMITS AND LIABILITIES

DEFINITIONS AND RESPONSIBILITIES: The Terms and Conditions set forth become a part of the contract between AEX Convention Services, LLC. ("AEX Services") / Texas Exposition Services, LLC. ("Texas XPO") and the Exhibitor. Acceptance of said terms and conditions will be construed when any of the following conditions are met: (1) An Exhibitor's materials are delivered to the Contractor's Advance Warehouse or to an event site; (2) The Authorization and Agreement Form is accepted or signed; (3) An order for labor, services and/or rental equipment is placed by the Exhibitor with the contractor; (4) Work is performed on behalf of Exhibitor by labor secured through the contractor. For purposes of this contract, the name "the contractor" shall be construed with the meaning of AEX Convention Services, LLC. ("AEX Services") / Texas Exposition Services, LLC. ("Texas XPO"), DBA the contractor and its employees, directors, officers, agents, assigns, affiliates, and related entities including any subcontractors the contractor may hire. The contractor shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. The contractor does not assume responsibility for any acts of, or loss to, persons, parties and/or other contracting firms not under the contractor's direct supervision and control.

PAYMENT TERMS: Full payment, including applicable tax, is due in advance or at event. All payments must be in U.S. funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional after deadline charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the event and remain the property of the contractor except where specifically identified as a sale. All rentals include delivery, installation, and removal from Exhibitor's booth. In case of cancellation of any orders or services by Exhibitor, a one-hour "per person requested, per hour" charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. A 100% pick-up fee will be applied to all on site exchanges or cancellations. If the event is canceled because of reasons beyond the contractor's control, Exhibitor remains responsible for all charges for services and equipment provided up to and including the date of cancellation. It is Exhibitor's responsibility to advise the contractor of any problems with any orders, and to check the Exhibitor's invoice for accuracy prior to the close of the show or event. If Exhibitor is exempt from payment of sales tax, the contractor requires an exemption certificate for the state in which the services are to be provided. Should there be any unpaid balance after the close of the event, terms will be net, due and payable upon receipt of invoice. Effective thirty (30) days after invoice date, any unpaid balance will bear a finance charge at the lesser of the maximum rate allowed by applicable law, or 1.5% per month (annual rate 18%), and future orders will be on a pre-paid basis only. These payment terms and conditions shall be governed by and construed in accordance with the laws of the State of New Jersey. In the event of any dispute between the Exhibitor and the contractor relative to any loss, damages, or claim, such Exhibitor shall not be entitled to and shall not withhold payment, or any partial payment, due to the contractor for its services, as an offset against the amount of any alleged loss or damages. Any claim against the contractor shall be considered a separate transaction, and shall be resolved on its own merits. The contractor reserves the right to charge Exhibitor for the difference between the Exhibitor's estimate of charges and the actual charges incurred by the Exhibitor, or for any charges that the contractor may be obligated to pay on behalf of Exhibitor, including without limitation, any shipping charges. If Exhibitor provides a credit card for payment and charges are rejected by the Exhibitor's credit card company for any reason, the contractor hereby provides notice that it reserves the right, and Exhibitor authorizes the contractor, to continue to attempt to secure payment through that or any other Exhibitor(s) credit card for as long as unpaid balances remain on Exhibitor's account.

INDEMNIFICATION: Exhibitor agrees to indemnify and forever hold harmless the contractor and its employees, directors, officers, and agents from and against any and all demands, claims, causes of action, fines, penalties, damages (including consequential), liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) on account of personal injury, death, or damage to or loss of property or profits arising out of contributed to by any of the following: (1) Exhibitor's negligent supervision of any labor secured through the contractor, or the negligent supervision of such labor by any of Exhibitor's employees, agents, representatives, customers, invitees and/or any Exhibitor Appointed Contractors (EAC); (2) Exhibitor's negligence, willful misconduct, or deliberate act, or the negligence, willful misconduct, or deliberate act of Exhibitor's employees, agents, representatives, customers, invitees and/or any Exhibitor Appointed Contractors (EAC) at the show or exposition to which this Contract related, including but not limited to the misuse, improper use, unauthorized alteration, or negligent handling of the contractor's equipment. (3) Exhibitor's violation of Federal, State, County or Local ordinances; (4) Exhibitor's violation of event regulations and/or rules as published and set forth by facility, show management, or the contractor.

CLAIM(S) FOR LOSS: Exhibitor agrees that any and all claims for loss or damage must be submitted to the contractor immediately at the show site, as well as in writing to csr@aexservices.com at the time of the potential claim for loss or damage. In any case not later than thirty (30) days after the conclusion of the event (for purposes of claim reporting, the "conclusion" of the event is the earlier of the conclusion date of the event or the time when Exhibitor's materials are delivered to the carrier for transportation from the event site or from the contractor's warehouse). All claims reported after the thirty (30) day period will be rejected. In no event shall a suit or action be brought against the contractor more than one (1) year after the date of loss or damage occurred. If found liable for any loss, the contractor's sole and exclusive maximum liability for loss or damage to Exhibitor's materials and Exhibitor's sole and exclusive remedy is limited to the lesser of \$.50 (USD) per pound per article with a maximum liability of \$100.00 (USD) per item, or \$1,500.00 (USD) per shipment whichever is less, and in no event shall exceed the total rental fees paid by exhibitor to the contractor for the event.

INBOUND AND OUTBOUND SHIPMENTS: Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of Exhibitor or its representative, and during such time the materials will be left unattended. The contractor will not be responsible for any loss, damage, theft, or disappearance of Exhibitor's materials after same have been delivered to Exhibitor's booth. Additionally, there may be a lapse of time between the completion of packing and the actual pickup of materials from the booths for loading onto a carrier and during such time the materials will be left unattended. The contractor will not be responsible for any loss, damage, theft, or disappearance of Exhibitor's materials before same have been picked up for reloading at the conclusion of the event. All Material Handling Agreements submitted to the contractor by Exhibitor will be checked at the time of pickup from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to the contractor and the actual count of such items in the booth at the time of pickup. Exhibitor agrees to accept and be bound by the contractor's count.

PACKAGING, CRATES, & EMPTY CONTAINERS: the contractor shall not be responsible for damage to loose or uncrated materials, pad-wrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed materials. In addition, the contractor shall not be responsible for crates and packaging which are unsuitable for handling, in poor condition, or have prior damage. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means. Empty container labels will be available at the show site service desk. Affixing labels to the containers is the sole responsibility of the Exhibitor or its representative. All previous labels must be removed. The contractor assumes no responsibility for error in the above procedures, removal of containers with old empty labels and without the contractor labels, or improper information on the empty labels. The contractor will not be liable for loss or damage to crates and containers or their contents while same are in empty container storage.

SEVERABILITY: If any provision of this Contract proves to be illegal, invalid, or unenforceable, the remainder of this Contract will not be affected by such finding, and in lieu of each provision of this Contract that is proven to be illegal, invalid, or unenforceable, a provision will be added as part of this Contract as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid and enforceable.

NO ORAL MODIFICATION OR WAIVERS: The Limits and Liabilities are the complete and final agreement between Exhibitors and the contractor. The terms herein may not be modified or waived orally, but only by an instrument in writing signed by the party against which enforcement of the modification or waiver (as the case may be) is sought.

The contractor is the exclusive provider of Material Handling.

Material Handling includes Unloading your exhibit material, Storing up to 30 days at the advance warehouse, Delivering to your booth, the Handling of empty containers to and from storage, and Removing of material from the booth for reloading onto your outbound carrier at the close of the show. You can either ship your materials in advance to the advance warehouse or ship directly to show site during designated move-in times. Material Handling is not to be confused with the cost of shipping/transporting your exhibit materials to and from the event.

Shipping to the ADVANCE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline, however additional charges will be incurred.
- The Warehouse will receive shipments Monday-Friday, except Holidays. Refer to the Quick Facts for warehouse hours.
- The Warehouse will accept crates, cartons, skids, trunks, cases and carpet/pads. Loose or pad wrapped materials must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip with the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as UPS and Fed Ex will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Advance/Warehouse freight will be delivered to the booth prior to exhibitor set-up.

Shipping DIRECT TO SHOW SITE?

- Freight will be accepted during designated exhibitor move-in times. Refer to the Quick Facts for the specific delivery date/time window.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as UPS and Fed Ex, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Direct to show site shipments are not guaranteed to be in your booth prior to exhibitor move-in.

How should I LABEL MY FREIGHT?

- PLEASE USE THE PROVIDED SHIPPING LABELS.
- The label should contain the Exhibiting Company Name, Booth #, Name of the event, C/O AEX Services / Texas XPO and Facility Address.
- The specific shipping address for either the advance warehouse or direct to show site address is located on the Quick Facts and on the provided Shipping Labels.

How Do I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually and is subject to the applicable show weight minimum. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is to be considered one "cwt" (one hundred weight).
- Note: All Shipments are subject to reweigh.
- On the Material Handling Order Form, be sure to select if your freight will arrive at the ADVANCE WAREHOUSE or DIRECT TO SHOW SITE.
- On the Material Handling Order Form, select the rate for the category that best describes your shipment. See types of freight shipment.

What are the FREIGHT CATEGORIES?

CRATED: Material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

UNCRATED: Material that is shipped loose or pad wrapped, and/or unskidded machinery without proper lifting points.

SPECIAL HANDLING: Material delivered by the carrier in such a manner that it requires additional handling, such as designated piece unloading, loads mixed with pad wrapped materials, ground unloading, stacked and constricted space unloading, loads failing to maintain shipping integrity, and shipments that require additional equipment, time or labor to unload. UPS and FedEx are included in this category.

SPECIAL HANDLING Definitions

- Designated Piece Unloading - Shipments requiring multiple pieces of freight to be moved in order to select the next piece.
- Ground Loading - vehicles that are not dock height preventing the use of loading docks. (flat bed trailers, U-Hauls, company vehicles with trailers)
- Stacked Shipments - Shipments loaded in such a manner that requires multiple items to be removed to ground level for delivery to booth.
- Constricted Space - Shipments that are not easily accessible due to carrier being loaded high and tight.
- Shipment Integrity - Shipments that are delivered in such a manner that additional labor is needed to sort through and separate various shipments.

What happens to my EMPTY CONTAINERS?

- Pick up "Empty Labels" at the Contractor's Service Desk. Once the container is completely empty, place a label on each container individually.
- Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. This process may take several hours.

Do I need INSURANCE?

- Be sure your materials are insured from the time they leave your company until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by the contractor are subject to the Terms and Conditions.

How do I ensure that my SHIPPED MATERIALS ARE SECURELY delivered by or before they are picked up after the show?

- There may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. Which may also be the case for the close of the show phase. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or hire security services to monitor your booth/materials.

\$\$ MONEY SAVING TIPS \$\$

- Ship via common carrier to avoid possible special handling charges.
- CONSOLIDATE your shipments. Each separate shipment will incur a 200 lb minimum charge.
- Ship early to avoid rush/overnight charges whenever possible.
- Furnish accurate weight tickets with your shipment(s).
- Label your freight with the number of total pieces - example 1 of 3, 2 of 3, 3 of 3.
- Properly Address/Label all shipments to avoid time consuming re-routes, mis-deliveries and delays. Remove old shipping labels before shipping out again.
- When shipping to Show Site, confirm in advance that your carrier can guarantee delivery of your freight to the facility during designated move-in times. When possible, schedule your shipments to arrive during ST rather than OT.

LAS VEGAS, NV

While Las Vegas used to be fairly “user friendly”, unions have tightened their grip on the city over the past five years. Especially rigorous are the regulations governing electrical services. If you have not exhibited in Las Vegas for a while, please review your Exhibitor Services Manual carefully for rules and regulations. Do not equate the fact that Nevada is right to work state with liberty to do as you please within the convention centers. It is not the case.

BOOTH LABOR, FREIGHT AND RIGGING

The teamsters union (Local #631) has jurisdiction for the erection, dismantling, touch-up painting, and repairs to all exhibits, unless this work is performed by a full time employee of the exhibiting company. If full-time company personnel are utilized to set an exhibit, they should carry positive company identification such as a business card, medical identification card or payroll stub. Teamster labor may be hired either through the general contractor or through an exhibitor appointed contractor, such as Momentum Management, Inc. Teamsters also are responsible for freight handling, which includes loading and unloading of all trucks, handling of all machinery (unloading, uncrating, unskidding, leveling, etc., and the reverse process). An exhibitor may “hand carry” material provided they do not use material handling equipment to assist them. When exhibitors choose to “hand carry” material, they may not be permitted access to the loading dock/freight door areas. Stagehands handle programmable theatrical lighting, productions, related rigging and Audio Visual. Suspended trusses, with or without legs, that contain dimmable or programmable lighting, studio or motion picture lighting, sound system projectors, video walls, special effects equipment, and laser lighting are to be installed and removed by stagehands. Regarding hanging signs, please note that if it is not electrical (handled by the electricians), in Las Vegas, the General Contractor will assemble, supervise, install and remove all hanging signs. However, after the show, they often drop the sign and abandon it. It would be prudent to have an exhibitor appointed supervisor oversee the hanging sign work so that they will know how to pack the sign back up after the close of show.

ELECTRICAL

Electrical unions do electrical work, hang signs that are lighted or rotating, and work on any part of the booth that includes electricity (back lit headers, light boxes, clip on lights, plasma screens, AV equipment, etc.) An exhibitor may plug-in their equipment into the 1(one) 20amp/120 VAC receptacle per booth and hand up to 4(four) small clip-on lights per booth. An electrician must be called for any increase in electrical service. Electricians also hoist all teamster assembled signs weighing over 300 lbs at the LVCC and over 200 lbs at the Sands Exposition. Suspended light trusses for non-programmable lighting and ground supported truss intended to distribute overhead electrical equipment is also the work of the electricians union. Electricians are responsible for all undercarpet distribution of electrical, communication wiring (coaxial cable, fiber optics, telephone, etc.) The list goes on, but you can figure if it in anyway involves electricity, the electrical union in Las Vegas will be trying to enforce their right to work on it. Also note, at the Las Vegas Convention Center, there is a ban on certain halogen lamps. Halogen lamps are limited to 75 watts and must be of the sealed variety. Your exhibitor kit will have more details.

HOURS

Straight time in Las Vegas is from 8:00 am – 5:00 pm, Monday through Friday. Lunch is from 12:00 – 1:00 pm. While the general contractor usually offers an overtime and a double time rate, many independent contractors offer only a single overtime rate. This is because it is generally necessary to pay the more qualified labor personnel at the higher scale in order to retain their services. Since this is the labor pool that makes up the resources of exhibitor appointed contractors such as Momentum Management, Inc., they often offer only straight time or over time.
